

Filtration type extraction tank

Controllable dynamic counter current extraction assembly

Diaculation tank

External heating double-effect concentrator with thermal compressor

Auto-control multi-countercurrent resin column group

Continuous distillation alcohol rectification column

Multifunctional miniature extractor and concentrator machine

Multifunctional reflux extractor and concentrator machine

Single effect concentrator

Double effect concentrator

WXDG Vacuum belt drying machine

Sincere Major Efficient Win-win

**Better Solution,
Better Made In China**

LTPM Wenxiong

Pharmaceutical & Nutraceutical Process Technology

Extraction

Concentration

Purification

Vacuum belt drying

Storage tank
